Day 2: Full Day Safari at Wilpattu National Park

After an early breakfast or packed meal, set off for a full-day safari at Wilpattu National Park, Sri Lanka's largest and one of the most pristine wildlife reserves. Known for its unique "willus" (natural lakes), this park is home to a diverse range of animals including leopards, sloth bears, elephants, spotted deer, and countless species of birds and reptiles.

Your full-day jeep safari will be accompanied by picnic meals, allowing you to truly immerse yourself in the wild without interruption. Return to your hotel in the evening to rest. Overnight stay in Anuradhapura.

DAY 3- Wilpattu Safari

Day 3: Another Day in the Wild – Wilpattu Safari

Today, you return to Wilpattu National Park for another thrilling full-day safari experience. With its vast, untouched terrain and fewer crowds, Wilpattu offers an excellent chance to encounter elusive wildlife in their natural habitats.

This second day in the park increases your chances of spotting leopards, as well as a variety of raptors, owls, and wetland birds. Your knowledgeable guide will help you interpret animal tracks, behaviors, and bird calls throughout the day.

After a packed lunch in the heart of the park, you'll continue your exploration before heading back. Overnight stay in Anuradhapura.

Day 4: Anuradhapura – Habarana – Minneriya Safari & Night Jeep Drive

After breakfast, you'll journey to Habarana, a peaceful village surrounded by dense jungle and wildlife reserves, approximately 1.5 hours away.

Upon arrival and check-in, gear up for an evening game drive at Minneriya National Park, world-famous for the gathering of wild elephants, particularly around its large reservoir. You might also spot sambars, toque macaques, and a variety of water birds.

After sunset, switch to a different kind of adventure with a night jeep safari through the Habarana Jungle border, where nocturnal species like civets, owls, and porcupines emerge. Overnight stay in Habarana.

DAY 5-Bird Watching

Day 5: Bird Watching in Sigiriya Sanctuary & Slender Loris Night Walk

This morning begins with a tranquil bird watching tour in the Sigiriya Sanctuary, a lush forest area surrounding the iconic Sigiriya Rock Fortress.

This sanctuary is a haven for endemic and migratory birds such as the Sri Lanka grey hornbill, black-headed cuckooshrike, and crimson-fronted barbet. Later, after dinner, embark on a night walk at Popham's Arboretum, a unique forest reserve established in the 1960s.

Here, with luck, you'll spot the elusive Slender Loris, a rare nocturnal primate, as well as other nighttime creatures. Overnight stay in Habarana.
